The business is located in a significantly important and attractive Grade II listed building of late 17thC construction with a stucco covered painted front elevation and bay frontage. The business utilises the ground floor and basement of this historic building and is internally attractively finished with a range of seating options, counter, preparation area, separate kitchen and with good quality customer toilet provision in the basement.

The Current Business

The business trades as Plump Partridge Café and Restaurant and was established in 2015 but the property has been used as a café for approximately 10 years. The existing business offers a varied menu with an emphasis on locally sourced produce but with limited current trading hours as follows;

Wednesday – Friday	-	10.30am to 4pm
Saturday	-	9.30am to 4pm
Sunday	-	10am to 2pm

There is clear scope therefore to increase these hours by the addition of further evening dining, events, breakfasts and utilising the takeaway planning consent.

The existing business utilises approximately 25 covers seated inside the building with an additional 6 covers externally, although it is noted that the business has the benefit of planning consent for up to 10 covers outside.

The inventory includes all tables and chairs, dishwasher, cookers, pizza oven, card machine, CCTV and alarm installation, refrigeration, coffee machine and a range of other good quality fixtures, fittings and trade items – full inventory on request. Some inventory items may be subject to transfer of existing contracts.

Lease

The property is held on a lease for 6 years from 1st June 2015 with a rent review and tenant-only break option midway through that term. The current rental is just £10,000 per annum exclusive.
